#### WORK COMPLETED

Description of Work Executed Today

Safety Briefings. Morning and Afternoon.

SW-8, Load out wet soils on (3) trucks hauling to HP-3.

D6 dozer spreading wet soils at HP-3, grading stockpiles. Second D6 dozer grading trailer parking area.

D8 dozer disking all areas.

CAT Track scraper cutting down haul rd by SC-1 and stockpiling.

Motorgrader performed grading maintenance of haul roads and grading Support zone trailer parking area.

Second water truck supported D6 dozer while grading down berms at entrance took place

Welding together 3" HDPE pipe for Water tower feed lines to change out 6" pipe in the near future.

#### **HEALTH & SAFETY**

Description of Health & Safety Actions Taken Today / Safety Inspections Conducted

Site Safety Briefing, Topic: Morning: Hazardous Communication, MSDS book, location and content.

Afternoon: Job Task Review Cards, given out by Joe Currilo, Workers challenged to memorize them and will be given \$50.00 if they can do it.

#### QUALITY CONTROL

Description of Quality Control Actions Taken Today / Quality Inspections Conducted

Dust Control met requirements.

### ISSUES AND/OR ITEMS OF DISCUSSION

Discussion of Issues / Concerns / Conversations / Topics

First BRC, Project Weekly Progess Meeting took place today.

Project No./Contract No.	Project Title / Location	Day of Report	Report No.
Task Order	ENTACT, BRC Eastside Common Areas Soils Remediation	25-Jun-08	6
13520.003.001.0004	& CAMU Construction Project	20-Jun-00	0

Name	Organization	Purpose of Visit	In	Out	Signed HASP
Linda Nations	BRC	Site inspection			
Devin Gordon	McKinley	Site inspection, attended afternoon safety briefing.			

Contractor Verification: On behalf of WESTON SOLUTIONS, INC., I certify this report is complete and correct, and all work performed and materials and equipment used during this reporting period are in compliance with the contract requirements, specifications, and standards, to the best of my knowledge, except as noted herein.

Report Prepared By / Title
